A Blessing of Matching Funds

We are blessed to announce that a generous donor has stepped forward to match funds up to \$105,000. This matching opportunity is a beautiful expression of stewardship, allowing us to multiply the impact of every gift and continue building a Christ-centered learning environment for our students.

As you prayerfully consider your giving, know that each contribution helps us to better equip our school for the work of God's kingdom and "assist families in equipping children to be effective disciples of Jesus Christ." Together, let's seize this opportunity and faithfully invest in the future of Oskaloosa Christian School, trusting that the Lord will continue to bless our efforts.
