SCHOOL

2025 Donor Report

Thank you

Dear Friends of Oskaloosa Christian,

As we reflect on this past summer, our hearts are filled with gratitude for the generosity and support shown by you. Through your gifts and prayers, along with the work of contractors and countless volunteer hours, the interior of our school building has been refreshed and updated. These improvements directly enhance the day-to-day learning experience for every one of our students.

Please know that we do not take your partnership for granted. Each gift, whether of time, resources, or finances, is an investment in the lives of children who are daily being nurtured in faith and equipped with knowledge to serve God and His Kingdom.

We are truly grateful for each and every one of you who has joined with us in this Kingdom work. Together, we are building more than updated spaces; we are building strong foundations for our students to grow in Christ and be a light in the world.

With heartfelt thanks,

Joel Rietema, Principal

Tracy Klukas, Director of Learning & Advancement
